Testimonials

"IPM Day through IIL offered outstanding feature content throughout the day, with great activities and networking during the breaks. I look forward to diving into the recorded sessions and courses that were added bonuses. Thank you to IIL for finding speakers that spoke well and knowledgeably on their topics while maintaining an authentic presence based in the realities of real-world work. I had a great experience!"

– Daniel S.

"Our experience at the IIL conference was exceptional. The sessions on AI in project management offered practical, forward-thinking approaches to integrating technology for improved project outcomes. We left the conference with a wealth of knowledge and a fresh perspective on project management. This event is a must for professionals looking to stay ahead in the field."

– Indumathi K.

"This was my 1st IIL event and it won't be my last. The topics were timely and relevant. While this was a virtual session, there was much engagement. I learned from my peers as much as I learned from the presenters. Between my raw notes and the presentations, I'm equipped with many tools and resources to improve myself in and out of the workplace. I highly recommend this event and can't wait for the next one."

– Lisa N.

"I have been participating in IPM Day-IIL event for more than 10 years. I want to extend my gratitude to IIL team for make possible this extraordinary Online Conference.

– Elena R.
